National Screening and Panel

PICTURE A SCIENTIST

YEAR 2020 | RUN TIME 97 MINS | LANGUAGE ENGLISH

Picture a Scientist. What did you imagine?

Join us for a panel discussion and the screening of documentary 'Picture a Scientist' which challenges the traditional view of science being a male dominated field and tells the story of several women who are changing the way we view scientists. Our panel will explore new perspectives on how to make science more diverse, equitable, and open to all.
